Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a security order has been rescinded.

ne for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

35 U.S.C. 184 (a) (1) provides that an application for a patent shall not be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order. This provision is intended to protect the national security of the United States by ensuring that information of a confidential nature is not disclosed to a foreign country without the approval of the appropriate authorities. The provision is intended to protect the national security of the United States by ensuring that information of a confidential nature is not disclosed to a foreign country without the approval of the appropriate authorities.
